

# 2008 BUSA Sprint Report

Hearty congratulations to all those who competed or cheered for Oxford at the BUSA sprint championships yesterday.

The rain couldn't dampen our spirits and everyone seemed to have a stellar outing. Special respect must be given to Leon Chen, who completed the race 1.5 times after blowing a tyre at the start of the cycle leg and still came in at 32. Hard as nails! And as usual, Oxford had the most enthusiastic cheering section in England!
